## Basic Manicure / Pedicure

### Basic Manicure

We will buff and shape your nails and take care of your cuticles. We soften your hands with a moisturizing lotion, and round it up with a natural strengthening finish of your choice.

### Basic Pedicure

We will buff and shape your nails and take care of your cuticles. We soften your feet with a moisturizing lotion, and round it up with a natural strengthening finish of your choice.

(Scraping Heels will charge extra 300 THB for gentlemen and 200 THB for ladies )

## Spa Manicure / Pedicure

### Spa Manicure

We will cleanse, exfoliate and nurture your skin with vitamins and our anti aging wrap. After intensive cuticle work as well as nail shaping and buffing we will relax your hands with a quick massage, and round it up with a natural strengthening finish of your choice.

### Spa Pedicure

We will cleanse, exfoliate and nurture your skin with mudmask and our heel care program. After extensive cuticle work as well as nail shaping and buffing we will relax your feet with a quick massage, and round it up with a natural strengthening finish of your choice.
